

*'We are in this struggle together.'* - Philippians 1:30

Dear Parents,

I am very excited to introduce myself as the Room Parent for this year! I'd like to thank you for generously sharing your time, talents, and children with Linfield! You are a blessing!!!

This year, we are expanding our "donation request" to include the estimated cost per student for each event. This does two things: 1) it shows the cost that go into parites / teacher gifts and 2) takes away the need to go to the store twice a week. All donations will be kept in a school account; and you will be updated on how the money is spent. Our main goal is to ask once for a donation, and then be done for the year!

Besides helping Mrs. Locke, we have some additional responsibilities. They are largely built around communication to keep your class informed of school-wide and classroom happenings. The school is amazing at sending out informaiton, but it is overwhelming at times.

Our classroom will use:

- **Shutterfly** - this will be our primary means to communicate volunteer opportunities, classroom calendar information, and other important information.
- **Signup Genius** – there are many other opportunities to get in your parent hours throughout the year! Keep an eye out for more volunteers opportunities coming your way! We can't do it without you!

Please take a moment to fill out the following forms – **Due Monday, September 19<sup>th</sup>**:

- **Volunteer Code of Conduct** – needed for Volunteering in the Classroom or on Campus
- **Contact Information** – this is important so that we know the best way to communicate important information.
- **Class Donation Form** – used for various parties and teacher gifts throughout the year.

Thank you in advace for all the hard work you will put in to making this a fabulous year for all our children! Please don't hesitate to contact me with questions and/or needs!!

Blessings,

Carrie Meyer
