

5th Grade Newsletter

Week of 10/31-11/4

**Spelling/Wordly Wise
Lesson 6**

Monday is Red Ribbon Day! All of the students are wearing red to unite together to live a healthy lifestyle, with eating well and exercising! If your child is in Student Council, please allow them to come early on Monday, as we will be hanging banners on teachers' doors.

We are currently on our Science block. We are studying the Water Cycle, chapter 5. Study materials are already being completed. You are welcome to go over these materials as they are completed to start studying for the assessments in the upcoming week.

November's reading book should be an ADVENTURE! As we continue to broaden ideas for books, please encourage your child to try other books that may be interesting to them. As we complete a book report at the end of November, we do require your child to read the one book for the month. However, the AR goal is set so that each child will be reading 15 minutes a day. If they are doing at least this, they may only be reading one book a month, however, it may be more depending on the length and difficulty of the book.

Our field trip to Oliver is coming up. We have quite a few people interested in driving and we thank you for that! If you are interested in driving, please ask the office for information on how to be an approved driver and just turn in 5 dollars for your ticket.

Bible Memory Verse:
(Memorized by
Thursday, 11/3)

"So it is with you.
Since you are eager
for gifts of the
Spirit, try to excel
in those that build
up the church."

1 Corinthians 14:12
