Spelling/Wordly Wise Lesson 8

Thank you to all of the parents that helped drive and chaperone our field trip to see the Oliver play by CYT. We also want to thank all of the parents that helped plan and serve at our Buddy Thanksgiving feast.

Please send in 8 pictures of your family (not necessarily current) for your child to use for a Christmas gift they will be making for you. You will get the pictures back, but not how they are sent in. Please send pictures on photo paper, not paper prints, all pictures must be 4 x 6 - the children will need their pictures by Monday, 12/5. Pictures with faces in the center of the photo work best.

Please plan to join us on Tuesday, December 6th in the Gym for the Christmas Performance for Ms. Locke's class and Wednesday, December 7th for Mrs. Wieczorek's class. The children have been working diligently to prepare this program for you. Come be blessed by the program, All About That Baby.

Please plan to attend our annual Gingerbread House Construction Christmas Party on Friday, December 16th at 8:00am - This is a half-day, yet children are dismissed with their families as soon as their Gingerbread House is done. This is a Christmas dress day.

Student should have completed reading an adventure book. They will complete a project in class on Tuesday. Should have their book here at school to refer to while working on the in class assignment. All children are selecting a Christmas book to read aloud for their December Book report. Students should have their picture book approved by Friday, December 2nd. It will be first come first served on their book selection, as all students will need to choose a different story. They will be evaluated on expression, diction, and projection. Oral readings will begin December 12th. Students will also read ~~their story to their buddy~~
