

# 5th Grade Newsletter

**Week of 11/7-11/11**

We are currently on our Science block. We are studying the Water Cycle, chapter 5. Study materials are already completed. You are welcome to go over these materials as they are completed to study for the assessment on Thursday.

November's reading book should be an ADVENTURE! As we continue to broaden ideas for books, please encourage your child to try other books that may be interesting to them. As we complete a book report at the end of November, we do require your child to read the one book for the month. However, the AR goal is set so that each child will be reading 15 minutes a day. If they are doing at least this, they may only be reading one book a month, however, it may be more depending on the length and difficulty of the book.

Our field trip to Oliver is coming up. We have quite a few people interested in driving and we thank you for that! If you are interested in driving, please ask the office for information on how to be an approved driver and just turn in 5 dollars for your ticket.

Our Feast will be combined with the two first grade classes. If you are interested in helping, please contact the room moms and watch for volunteering opportunities on Shutterfly.

No Spelling or  
Wordly Wise this  
week!  
Happy Veteran's  
Day!

Study for Science  
and Bible!

**Bible Memory Verse:**

(Memorized by  
Thursday, 11/10)

Walk in obedience  
to all that the Lord  
your God has  
commanded you, so  
that you may live  
and prosper and  
prolong your days in  
the land that you  
will possess.

Deuteronomy 5:33
