

5th Grade Newsletter

Week of 2/27-3/2

States Showcase! Thursday morning 3/2 Students should be planning to bring in a food item that is associated with their state that they have been studying all year. The food item needs to come ready to serve first thing in the morning. They may bring their food samples directly to the classroom. Teachers will be in their rooms to help set up. Remember you might need to have toothpicks, small cups, and napkins for serving. Parent volunteers in the morning will be helpful. Any left-over food will go home with your child at 11:30.

Science Test on Tuesday. This test covers chapter 8 in their textbook which is about elements.

Open House on Thursday, 3/2 from 5:00-7:00pm. Come see all that your child has accomplished. We have been working on a lot of projects lately in the classroom and we are excited to show you our work.

We are already half way through the 3rd quarter. It's important that your child stay focused and continue to give their best efforts. Homework will return to a regular routine the following week.

No Spelling or Wordly
Wise this week!

Bible Memory Verse:
(Memorized by
Wednesday, 3/1)

“Therefore encourage
one another and build
each other up.”

1 Thessalonians 5:11a

Upcoming
