

5th Grade Newsletter

Week of 5/15-5/19

In Math, we will be studying various measurement conversions this week and will have an assessment next week. Though there is no studying involved, please make sure that you are coming in for help if you need it.

This week we are resuming our social studies with studying the states and their capitals.

As we are nearing the end of the year, we will be collecting two things. First, we need digital pictures for 5th grade promotion. Please email a baby picture and a current photo that you would like displayed to myself at swieczorek@linfield.com or to klocke@linfield.com. We will work together to make a special powerpoint featuring all of the wonderful kiddos. We also are in need of plastic page protectors. We will be compiling some of our 5th grade memories into binders to take home and the page protectors will be helpful to hold some of the special memories.

On Wednesday, please wear your navy blue Linfield shirts for a class picture.
