

5th Grade Newsletter

Week of 5/8-5/12

Wordly Wise
Lesson 20

This week we will have just one or two days more of testing (Monday and Tuesday). However, they will be short sessions and we will begin our normal studies again as well.

In Math, we will be studying volume this week and will have an assessment on Friday. Though there is no studying involved, please make sure that you are coming in for help if you need it.

In Science, we have a test on Friday on Chapter 1: Cells. Please review the chapter and study guide (to be sent home on Monday) at home in preparation. Completing the chapter review is an optional extra credit assignment that would help prepare you.

As we are nearing the end of the year, we will be collecting two things. First, we need digital pictures for 5th grade promotion. Please email a baby picture and a current photo that you would like displayed to myself at swieczorek@linfield.com or to klocke@linfield.com. We will work together to make a special PowerPoint featuring all of the wonderful kiddos. We also are in need of plastic page protectors. We will be compiling some of our 5th grade memories into binders to take home and the page protectors will be helpful to hold some of the special memories.
