

I have a long history with Linfield. My daughter, Ashlyn, just graduated from the high school in 2017 and started kindergarten at Linfield in 2004. My son, Adam, is a sophomore in high school, and started kindergarten at Linfield in 2007. I have been married to the love of my life, Tom for over 21 years. We met in junior high in San Diego.

In 2008, our family moved to Germany for three years. In Germany, I taught third grade and first grade at the Franconian International School where my children attended classes. The entire time we lived in Germany, our daughter wanted to return to Linfield. Currently I am in my seventh year teaching here at Linfield Christian School. I taught first grade for three years and I am now working as the school's Reading Specialist.

I have a BA in Liberal Studies a Multiple Subject Teaching Credential and CLAD credential. I also hold a Master's Degree in Reading and Language Arts, have a Reading Specialist Credential, and I am working on my Doctorate Degree. I have experience teaching in the public schools, charter schools, private schools, internationally, and at the university level.

I love working with children and helping them with reading and writing skills. Working here at Linfield as the Reading Specialist is my dream job, and I know I am exactly where God wants me to be, influencing the lives of children in His name.
