

What a joy it is to start my second year at Linfield Christian School! I am so blessed to serve as your Elementary School Assistant Principal. It's going to be a great year!

I have been involved in the field of education for many years. I had the incredible blessing of attending Westmont College in Santa Barbara where I double majored in Diversified Studies and English, and minored in History. I received a Multiple Subject Teaching Credential from Westmont, as well. My educational experience includes teaching both preschool and elementary students, mentoring teachers and staff, leading curriculum reviews and adoptions, implementing best practices in instruction, and shepherding faculty, staff, and students at several Christian schools. Additionally, I am excited to be starting my ninth year in school administration.

My husband, Randy, and I make our home in Murrieta. We love spending time in the mountains, going on daily walks, cheering for our favorite teams, and being the parents of three wonderful sons. Andrew (28) lives in Santa Barbara and works in wealth management. He plays on the worship team at his church and enjoys playing soccer with friends from college. Nathan (25) has been working in high school ministry for the past year. He recently led a mission trip to Hungary where his team ministered to students from several countries throughout Europe. Michael (20) will be a sophomore at California Baptist University where he will be earning a degree in Graphic Design and Digital Media. When he is not studying, taking pictures, or working with his drone, he spends his time growing his photography business.

I am truly looking forward to meeting you and sharing my passion for Christian education. I feel so thankful that God is allowing me to serve as your Elementary Assistant Principal this year.

To God be the Glory,

Kathy Sharp
