

I was raised in a Christian home in the Murrieta/Temecula Valley. My mom started working at a church in the valley when I was in 2nd grade and as a result, most of my childhood and teen years were spent at church. I had a lot of knowledge about God and committed to following Him at an early age, but I didn't gain a true understanding of my walk with Christ until my college years.

I attended public schools growing up and had the privilege of attending Westmont College in Santa Barbara after high school. I graduated from Westmont with a Liberal Studies degree and Teaching Credential. A few years after graduation, I attended Cal Baptist University and received my Masters of Science in Education.

My first teaching job was in Santa Barbara working as a PE teacher and After School Program Coordinator. After two years, I moved back to Murrieta. For the last four years, I have been teaching 2nd and 4th grades at Calvary Murrieta Christian School. I am very excited to be teaching 5th grade this year!

I have a brother and sister-in-law who live in Portland, Oregon. My parents live in Temecula and I get to see them often. I love spending time with friends and family. In my free time, I enjoy hiking, creating art, traveling, winning at games, and investing in the younger generation through mentorship. Creativity is a huge part of my life and I do my best to incorporate this gift into the classroom everyday as I teach. My goal is to make learning as enjoyable as possible and to meet each student where they're at. I look forward to being your child's teacher this year!
