

My name is Cami Bruda. I was born and raised in a small communist town in Romania. I was blessed to grow up in a very strong Christian home.

In school, we were taught that science proved God does not exist. Only “old” and “uneducated” people were supposed to go to church and believe in God. Going to church, confessing faith in God, and reading the Bible was not only considered stupid, but it was also an act of rebellion against the communist party and their “wise” leadership.

It was very early on when I decided that I love Jesus enough to suffer the consequences.

When I was 16, I was called by God to teach children about His love for them. In the meantime, Romania became a free country. I started to be involved in children’s ministry and I have continued to teach Sunday School ever since.

Two years later, when I graduated high school, I was in prayer about the career path that God wanted for me. I was very certain that God was calling me to be a teacher.

I studied for four years in the University of Bucharest (1994 – 1998), receiving my bachelor’s degree in Letters, Bible, and Teaching. In 2008, I started teaching Bible, Romanian, and Latin language in public schools in Romania.

My husband, Alex, and I have been married for eighteen years, and we have been serving God together ever since. God blessed our family with two boys, Alexandru, born in 2003 and Bogdan, born in 2006.

In 2005, I started to volunteer, together with Alex, my husband, for an International Children’s Ministry Organization called Every Generation Ministry. Alex was called to serve full time with EGM in 2007, as EGM’s Europe and Middle East Director and I served by writing curriculum.

In August 2016, God took our adventure to another level. We were called to relocate to Temecula - where EGM’s headquarters are located. This was the biggest adventure of faith that we have ever been on, but God was so faithful in leading us! Alex took on more responsibility with the ministry, and I am so blessed to be part of the Linfield Elementary family!

My deepest desire and prayer is to see God working in children’s lives!
